

YOUR HEALTH IS OUR #1 PRIORITY

Here are the actions we are taking

- Providing personal protective equipment to employees

- Screening workers for fever (over 100.4 degrees), cough, or shortness of breath

- Disinfecting common areas regularly including high-touch surfaces
- Providing disinfectant and sanitation products for workers to clean their workspace and equipment

- Maintaining the six-foot physical distancing requirements for employees
- Refraining from physical contact and limit shared tools or spaces

- Implementing virtual meetings and staggered shifts where possible
- Requiring workers who exhibit symptoms or illness to stay home or seek medical attention

- Making hand sanitizer, disinfecting wipes, or soap and water readily available to employees
- Requiring hand washing and sanitation by employees

- Limiting non-essential business travel
- Curtailing business travel to high-infection areas
- Discouraging large gatherings

- Using technology solutions where possible to reduce person-to-person interaction
