IS YOUR BUSINESS CONNECTED TO
BON HOMME YANKTON ELECTRIC'S
3,800 MEMBERS?

Calling Area Business Owners!

Bon Homme Yankton Electric offers the Co-op Connections® Card to our members, and we want you to be a part of it! All members are eligible to receive a discount card and list of participating businesses at no cost.

The Co-op Connections Card provides an incentive for our rural members to shop at participating local businesses rather than taking their business out of town or online. Participating businesses can offer valuable discounts through the card, and in turn, our members are encouraged to patronize these businesses.

By participating in this program, your business will be advertised to approximately 3,800 rural families in our service territory of rural Bon Homme and Yankton counties.

For more information, call the Bon Homme Yankton Electric office at (605) 463-2507 and ask for Jaclyn. We look forward to promoting your business to our membership!

The Only Cost to Your Business is the Discount You Provide!
