

# B-Y Third Party Irrigation Management Rebate Application

- Members must submit this completed application and system receipt.
- New system must eliminate the need for an East River irrigation controller.
- Provide less than 15-minute latency from East River email to shed/restore.
- Provide distribution cooperative notice of customer bypass.
- If a consumer who received a rebate discontinues third-party control within five years and requests an East River control be reinstalled, the consumer is required to pay for a new East River receiver up to \$500
- Application must be submitted within 180 days of purchase.
